## To the Moms Who Are

*To the Moms who are struggling, to those filled with incandescent joy.*

*To the Moms who are remembering children who have died, and pregnancies that miscarried.*

*To the Moms who decided other parents were the best choice for their babies, to the Moms who adopted those kids and loved them fierce.*

*To those experiencing frustration or desperation in infertility.*

*To those who knew they never wanted kids, and the ways they have contributed to our shared world.*

*To those who mothered colleagues, mentees, neighborhood kids, and anyone who needed it.*

*To those remembering Moms no longer with us.*

*To those moving forward from Moms who did not show love, or hurt those they should have cared for.*

*Today is a day to honor the unyielding love and care for others we call 'Motherhood,' wherever we have found it and in whatever ways we have found to cultivate it within ourselves.*

*- Hannah Kardon, Pastor at Elston Avenue United Methodist Church*

## From the Pastor – Remembering...

Memorial Day is coming up in just a few weeks. To prepare, our cemetery board is inviting you to a clean-up day on May 22 from 3-5pm. This will be a great opportunity to pay our respects to the faithful departed by sprucing up St. Rose of Lima cemetery. Please be aware of the following “Rules and Regulations” published by the cemetery board in 2016 (a new set of “Rules and Regulations” has just been approved, but the following remain unchanged).

-Natural decorations such as potted plants in an approved plant stand are permitted from May 1 to October 15 and pots must be removed after these dates. Fresh cut flowers are allowed in approved containers, no glass containers are allowed. Artificial flowers are allowed in vases and urns that are on approved stands only. Maximum of two plant stands per site. Time and weatherworn artificial flowers shall be removed and replaced by lot owner or will be removed by cemetery staff.

-The use of any flag or flag holder on a lot is permitted only for the Memorial Day holiday. Veteran and other approved issued flags and flag holders will be allowed one week before Memorial Day until one week after. Grounds level artificial flowers and decorations are allowed from May 16th to June 1st and **will be removed by cemetery staff** after that period.

-It is not permissible to plant flowers, trees, shrubs or bushes of any kind on cemetery property. The use of any other forms of artificial decorations is not permitted without permission of the management. Christmas wreaths are permitted from November 15 to February 1.

-No breakable decorations are allowed.

-The placing of boxes, toys, stuffed animals, metal designs, chairs, wind socks, lawn edging, gravel, shells, hats, crushed rock, and similar articles upon lots **are not** permitted. Only one solar powered light will be permitted per grave site (2-3-4 grave lots are considered one grave site) and may not be placed in the grass area around the base of the monument.

-The Cemetery management has the right to remove any or all decorations when deemed necessary.

Sincerely in Christ, Fr. Will Thompson

P.S. You may have found it curious that I chose not to write about the leaked opinion from the Supreme Court that points toward a reversal of Roe v. Wade. Since it is still a draft opinion, we should not see it as final, or even as the majority opinion. Regardless of how the Supreme Court decides this case, it is safe to assume that if there has been unrest regarding the status of abortion these past 50 years, a change in the “law of the land” will not offer a resolution either. Please pray not only for the legal protection of the unborn, but also for the moral protection of mothers and fathers who find themselves in positions where abortion appears to be the only-or best-option.
