My Dear Parishioners,

Writing, it seems, is mostly about waiting, though most of us tend to think of it as a pen-in-hand sort of thing, or a fingers-on-the-keyboard activity. Eventually it does come to that, but much of the time before can be spent waiting. Some would say it's waiting for the muse to show, or imagination to kick in, or for the idea to float free. Anyone

who has ever tried to do some writing—a description of what it's like to fall in love or a piece of poetry or an attempt to share the meandering path of a soul's journey—knows that such writing takes a great deal of waiting before it can happen, if indeed it ever happens at all. And sometimes when it does happen, it feels more like being found than it does like succeeding.

Many of the inner pieces of our lives seem to be like that. Discovering one's calling, falling in love, faith and the conversion that gives rise to it, recognizing the gifts sewn into the hems and cuffs of our lives—they all seem to find us rather than the other way around. Sometimes it's even in spite of our own efforts. Sometimes they feel like the very work and intention of the Divine One.

The scriptures are filled with stories of God doing the finding, even when we didn't know we'd been lost. That's the way it is with us and God—so often being found without even asking. God does seem to find us, and also finds a life calling for us, and finds love for us, and finds meaning for us, and even finds a way out of our sin for us—even when we didn't know we needed to be found.

Keep smiling.

PRAYER FOR VOCATIONS

O Jesus, Divine Shepherd of souls, you called the Apostles to be fishers of men. Send us holy priests, O Lord through the intercession of Mary, Mother and Model of all vocations. Let your call be heard and answered by generous and courageous men to meet the pressing needs of your Church and the world. Come, Lord, do not delay. Send to your Church holy priests!
Amen.
